

How are our feet?

“And how can they preach unless they are sent? As it is written ‘How beautiful are the feet of those who bring good news!’” Rom. 10:15

Top left: Just before everything changed we had a precious couple come serve IMM in PRACTICAL ways: An update to the archives. Our Spanish church has met on Zoom since March 15. Maybe we can meet again in July in person. We have not been quiet during quarantine, one team member is developing a new HopeBox Mini. Put this in your pocket and people can download videos and Bible everywhere you go!

Kerry & Denise Godwin Missionaries at IMM

What is important to you? We've seen in these months of quarantine, lockdown, state of alarm that people have had to examine themselves and their hearts afresh or maybe even for the first time. When the hubub of life quiets and our soul ceases striving, what do we discover about who we are? It is fascinating that the entire world is living this out together in 2020.

Did you see the joke about what are you doing for quarantine? Working! That was us at International Media Ministries. We had already scheduled to do post-production on The Heritage Project stories this spring. We have been able to work every single day and move the stories forward. We took a couple days out of the schedule to pull an excerpt from the Cyprian story about how he led the church during the plague in the 3rd Century in what is modern day Tunisia. This excerpt has been translated - yes during lockdown - to Hindi, Arabic, Dutch, Spanish and English. It has gone onto more than 30 organizations and media platforms to challenge people to think about who

they are and what God means to them in a crisis. What a privilege to tell this powerful story. We are in the exciting stages of finalizing the four entire docudrama stories this summer. Pray for the equipment to keep up with us, for everyone's health to stay well. While it may not be exciting to watch us at our computers, it is an intense time. Pray for each person who sees the stories to be touched by God and his hope.

We've been blessed by a distributor who wanted to put the English version of the stories into North American markets. You can find Lost Legacy Reclaimed, The Heritage Project, Season 1 on RedeemTV.com online as well as for now Amazon Prime. They are removing some of our distributors pieces so we don't know how long it will be there. Every penny goes back into putting Jesus on Every Screen possible so more people can know they are important to God.

Thank you for standing with us even during a pandemic to tell of God's hope. Our work together is not in vain.
